

ALEXANDER INCHBALD

When I was Free

Tuesday, July 11, 2023 to Tuesday, August 1, 2023

These paintings are portals to another dimension.

To a place beyond space and time.

Where we are finally free.

It's a world of love, peace and joy.

Mother Nature shapes each painting.

The mountains form them.

The wind hews them.

Sun, rain and snow infuses into the paint.

Revealing the essence of it all.

Underneath all form.

The love of a mother for her child.

The love that moves mountains.

The love that inspires a man to Herculean tasks for his woman.

Imagine this love in your home.

On your wall.
